Women's Club-Judy Bonish:

Coffee and Donuts will be the last Sunday every month. Judy has a copy of the schedule. Different ministries will be in charge of serving and cleanup. Judy and Doris both said that Women's Club could help pay for the donuts when a ministry that doesn't have a treasury is in charge, such as Squires. We will be skipping March and July because it falls on days with other things going.

The Bob Pepper Quartet was very good.

Building Bridges: Eric Fenske mentioned that he went to a Youth Group for pro-life called Building Bridges. There are usually 200-300 high school and college age kids that go. Eric will follow up and try and keep up with the conference but it is still in the planning stages. It will be at Everest Academy this year.

LARTL-Scot Laramee:

Lakes Area Right to Life will be sponsoring an oratory, March 18th at the Highland Library in the downstairs portion. The winner will receive a cash award and represent our area at the state conference.

The Pregnancy Center's Sign and Light is broken. Scot called a contractor to look at it for them. Judy Bonish suggested a permanent lighted sign out front. There was some talk about checking into regulations.

Community Service: There is a young woman in the church who needs to do community service so Deacon Art was looking for any ministries that need help.

Parish Council will meet again March 23, 2010.

Teen Mission: Gloria Konarzewski is looking for a man to help chaperone the teen mission from June 20-27. Women's Club donated \$1000 to help the teens. The teens will be having fund raisers to make up the difference.

Paper Recycling: Judy wondered if we could get a 4th bin for paper recycling as they are filled so often.
